Job Overview

We are seeking a motivated and hardworking individual to join our team as Livestock Manager. This role involves assisting with the care, management, and maintenance of livestock and farm operations. This position is for someone who enjoys hard, hands-on work in an outdoor – all weather working environment and has a passion for animal care and regenerative/organic farming practices. It is expected that this role is filled by someone with 2+ years' experience managing the health and wellness of farm animals & pastures.

Key Responsibilities

- **Livestock Care:** Feed, water, and monitoring the health and well-being of animals (e.g., pigs, sheep, goats, poultry, etc.).
- **Farm Maintenance:** Clean and maintain animal housing, equipment, and pastures.
- **Assistance with Birth and Breeding:** Help with farrowing, lambing, or other seasonal livestock events as needed.
- **On site Poultry Processing:** Assistance in chicken & turkey slaughter & processing.
- **Fencing and Pasture Work:** Build, repair, and maintain fences and assist in pasture rotation.
- **General Farm Tasks:** Operate and maintain farm machinery, load/unload feed and supplies, and assist with other farm duties as needed.

Qualifications

- **Experience:** 3+ years farming experience, 1+ years managing experience
- **Physical Requirements:** Ability to lift 50 lbs regularly, work outdoors in varying weather conditions, and perform physically demanding tasks.
- **Skills:**
 - Basic knowledge of animal behavior and care.
 - The ability to operate farm equipment (e.g., tractors, UTVs, etc.) is a plus.
 - Strong work ethic, reliability, and attention to detail.
- **Availability:** Willingness to work flexible hours, including early mornings, weekends, and holidays as needed.
- **License:** A valid driver's license is preferred.
- **Positive Mental Attitude:** Team player, good communicator, honest behavior.

What We Offer

- Hands-on experience in livestock farming.
- Training in animal care and farm management practices.
- A supportive and team-oriented work environment.
- Opportunity to contribute to a sustainable agricultural operation.
